VOLUME 8, ISSUE 2

AUGUST 2018

IMPORTANT UPDATES

D

Board meetings are scheduled the 2nd Tuesday

6:00 P.M. in Study Lounge

NOTE: Call if you would like to conference in.

EXTEND LIFE OF A/C UNITS

Filters should be cleaned/replaced at least once a month during the year.

IMPORTANT REMINDER—

CLEAN OUT DRYER VENTS - Must be done 1x/year if you have a dryer in your unit. Lint build-up is leading cause of fire.....

AC units / access to roof:

Only licensed / bonded contractors are allowed on the roof. HOA Office must be notified via email on any contractors working on your a/c unit. Please provide company name, tech name if available, date of service and phone #.

Be aware that we have a vinyl coating on roof. Any

sharp objects or dragging of equipment will rip the surface and create a possible leak. The Association has already paid over \$1,000 in repairs for just this reason!

Dog feces continues to be a problem in the community. Please remind your

residents to pick up after pets. Doggie bags are available in the courtyard—by laundry room.

VEHICLES: Reminder that parking permits are to be displayed AT ALL TIMES.

REMINDER TO FILL OUT REMODEL FORM for all projects—available on the website (campuswalkhoa.com).

DEMAND FOR PARKING SPOTS—RENT YOUR SPOT

There are residents who are looking to rent a parking spot. Please notify me via email if your parking spot is available..... (ditoifon@cadden.com)

Unit available for rent?

Students are still looking for housing for Fall Semester. **IMPORTANT:** Make sure that your contact information is current on the website and make sure unit information is accurate. It is important to keep this information up to date. The website is a valuable tool for homeowners to rent their unit but it does need to be current. **IF YOUR UNIT HAS RENTED—PLEASE LET THE OFFICE KNOW SO WE CAN UPDATE THE INFORMATION.**

The Annual \$25.00 website maintenance fee has been charged to your HOA account. If you are interested in listing your unit contact (520) 490-3364 and email your unit information and one (1) photo in JPG format .

OWNERS: MAKE SURE TO UPDATE YOUR RESIDENT CONTACT INFORMATION—phone & email addresses. THIS IS VERY IMPORTANT!

“For Rent” signs are available in the office. Cost is \$25.00 which includes the plastic holder to be placed next to front door and installation.

There are limited windows of opportunity to rent your unit — make sure you don't wait too long and find you are unable to rent your unit.

CHECK FOR WATER LEAKS

Water is one of the highest expenses the Association faces

Water is one of the highest expenses the Association faces.

MAKE SURE THAT ALL DRIPS AND LEAKS ARE ADDRESSED IMMEDIATELY. Once classes commence, the On-Site Manager will be checking toilets and faucets in all units. As Homeowners you are

responsible for maintaining these items in your unit -- Ask your tenants—do any faucets drip? Is the toilet continually running? Well, maybe it's just a small drip -- you ask "how much water can a little drip waste?" But think about each faucet in your unit dripping a little bit all day long. What

if every faucet at Campus Walk also dripped? These drips add up to GALLONS of water being wasted. Homeowners— please help cut wasteful spending which affects the budget; which affects the monthly Assessments; which affects everyone.

**** DID YOU KNOW EXPANDED BASIC CABLE and INTERNET ARE PROVIDED BY THE ASSOCIATION? ****

Debit and credit cards are accepted in the Laundry Room!

COX CABLE—

By now you should know that residents receive both internet and basic cable which is included in the Association fee. Equipment included are 2 digital boxes and modem at NO CHARGE. Upgrades and faster speeds will be discounted. Accounts

will still need to be established for them to track equipment.

ALL CHANNELS are now digital so that means when your family or tenant are moving into the unit — they will not be able to watch television without a box.

We are a Bulk account— Call

855-512-8876 with questions.

If you run into any problems

please call Debbie at (520) 490-3364 —or

(520) 882-0228.

MAINTENANCE CHECKLIST

- ✓ PAINT FRONT DOOR TO UNIT—paint is available in the HOA office to use.
- ✓ CHECK WATER VALVES under sinks. Routinely check under sinks for leaks and replace if needed.
- ✓ CHECK FAUCET HOSE IN KITCHEN. Reports have come in that the hoses are failing (leaking) and need to be replaced before water damage occurs.
- ✓ Learn in advance if there is a shut-off valve in your unit (most units do not have one).
- ✓ Contact HOA office at least 24 hours in advance of ANY plumbing work to be done in your unit—(no matter how minor). As a precaution—water to building should be turned off.
- ✓ Inspect windows and sliding doors for cracks/leaks. Replace weather stripping and caulk as needed.
- ✓ Don't use the toilet as a wastebasket. Important to advise tenants NOT to put anything but toilet paper in the toilet—especially wipes. With old, galvanized pipes—wipes tend to collect and gather, causing blockage. (#2 cause for claims).
