RENTERS ARE LOOKING FOR PARKING SPOTS....

Students are beginning to move in and are looking to rent parking spots. If you have one available please contact the HOA office for names of individuals looking to rent parking.

There have been a couple of water issues come up. Homeowners, please make sure your tenants know who to call in case of an emergency in your unit—your number or your property manager's number. The Association is responsible for Common elements only.

Gate keys—available for \$10.00 each. Please make sure your residents have them. There have been a few sightings of kids jumping over the fence which is not only a safety issue to the individuals but also is hard on the gates (repair).

<u>TOWING PROCEDURE</u>—If someone is parked in your unit's parking spot you will need to contact either the HOA office (during business hours) or Security (520) 722-0220 to have the vehicle towed.

INCREASED WATER USAGE at Campus Walk

MAKE SURE THAT ALL DRIPS AND LEAKS ARE ADDRESSED IMMEDIATELY.

Check the faucets in your unit -- do any of them drip? Well, maybe it's just a small drip - you ask "how much water can a little drip waste?" But think about each faucet in your unit dripping a little bit all day long. What if every faucet at Campus Walk also dripped? These drips add up to GALLONS of water being wasted. Homeowners— please help cut

wasteful spending which will effect everyone. We need to work together to help keep expenses in line——
